

Richard’s training builds on tools from his ingenious and world-renowned lifestory work approach, offering supportive communication techniques for all types of caregivers & workers to use while engaging and connecting with children who have experienced hardships and trauma. Numerous, creative approaches will be covered and practiced with ample opportunity to engage in questions and discussions.

Training objectives include but are not limited to:

- Techniques for reaching struggling children
- Listening & interpretive skills
- The significance of feelings
- Trauma & recovery
- Addressing sensitive issues
- And more!

*Please join us for this special opportunity to once again host Richard Rose.*

*Richard Rose founded and oversees the Therapeutic Life Story Work International program, [www.tlswi.com](http://www.tlswi.com). Richard undertakes consultancy and training on Life Story Therapy and working with 'hard to reach' children and adolescents; and develops academic training programs in the UK and internationally. Richard is a regular visitor to Australia where he is an Adjunct Associate Professor of Social Work and Social Policy at La Trobe University; Honorary Associate of Institute of Open Adoption Studies, University of Sydney and Honorary Associate of Berry Street Melbourne. Richard works with children and their carers in out of home care and family placements to assist understanding and attachment with the aim of enabling placements to become healthy and nurturing for all involved.*
