

For years now in Oregon, folks hearing Richard Rose train and speak have made the request...

ANNOUNCING *the official* Certificate in Therapeutic Life Story Work with Richard Rose!

Oregon Post Adoption Resource Center (ORPARC) and international Life Story Work expert Richard Rose (AAP, MBA, BPhil, PGSWE, PQCCA, CQSW) of Therapeutic Life Story Work International (TLWi) in the UK are thrilled to debut the first and only U.S. based Certificate in Therapeutic Life Story Work as of 2019. This certificate is currently only available in Australia and the UK!

In this six day intensive series, attendees will train with Richard Rose to gain an in-depth understanding of therapeutic life story work practice, and its incredible healing potential for children or adults who have experienced trauma or hardships that impact their ability to grasp a cohesive life narrative. Master’s Level professionals, educators, therapists, caseworkers, clinicians, CASAs, **foster and adoptive parents, and those with extensive lived or professional experience are encouraged to apply.**

“
Stories have to be told or...we can't remember who we are or why we're here.
—Sue Monk Kidd

Spots are LIMITED!

Priority will be given to folks who work or parent through foster care, adoption, or within or alongside the child welfare system.
