

# Building Families Through Adoption

## Session 1

### HOMEWORK SESSION 1

Think about your own expectations of what might be a fear you have about a child you adopt. Think about that, and then think about what you can do in response.

**EXAMPLE:** I hope my child won't ever (set fire to the living room) and but if he does, then we will (seek appropriate help and take precautions.)

I hope my child won't ever ...

---

---

But if they do, then we will ...
