

Family Profile Form

With the help of their adoption worker, families with a completed, approved Oregon homestudy prepare a short narrative for posting on OARE. Family profiles are visible to Oregon workers, *not* to other families.

Family Narrative (300-500 words)

A narrative should be consistent with the family homestudy but can be short or long, and share fun facts about a family's location, ages of children and/or other adults in the home, culture & faith, traditions, pets, experience or training in special needs, foster care & adoption, philosophies on life, etc. We can't wait to meet you!
