SPONSORS

This series is made possible with support from the State of Alaska FASD Program and the Alaska Mental Health Trust Authority

A Series for Caregivers of Individuals with Pre-natal Alcohol Exposure

A 7-part series for caregivers exploring the impact of prenatal alcohol exposure across the lifespan from infancy through adulthood. This series is focused on caregivers, though all working with families are welcomed. Alaska Licensed foster parent can earn training credit toward licensing requirements.

Workshops meet on Zoom (or telephone) the first Wednesday of each month from 6:30 to 8 p.m. There is no fee.
