| Worker | | Agency/Office | |
| Address | | | |
| Phone | | Region | Email |

CHARACTERISTICS OF CHILD TO BE CONSIDERED

We encourage families to consider all potential children in care, but if there are specific preferences that you would like listed on your family's profile, please include them here.

| | | | |
|---|--|------------------------|-----------------|
| How many children is the family open to considering? | # | Age Range | Gender Identity |
| Open to children not yet legally free, i.e "Foster to Adopt"? | Yes <input type="checkbox"/> No <input type="checkbox"/> | Race/Cultural Identity | |

FAMILY PROFILE

Please write a brief (250-500 words) narrative about your family. Include anything you feel is important and might help match your family with the right child. Examples include: your family's strengths, previous caretaking experiences, information about your support network, hobbies, current household pets, and anything else that you feel may be relevant.

SIGNATURE LINE
