

Proactive Parenting Strategies: Creating (S)PACE for Better Behavior

Kids with tough histories often exhibit some “tough” behaviors, like opposition, aggression, and defiance. It’s a brain thing! Take some time to fill your toolbox with trauma-informed strategies that really work! Participants will walk away with a framework for reaching kids and teens before trouble starts - plus some in-the-moment rescue plans.

About the Presenter

Jessica Sinarski, LPCMH, is a clinical supervisor, consultant, author and educator. She is a thought-leader in connecting neuroscience with practice in adult-child relationships. Jessica has trained thousands of parents and professionals across the country and maintains a private practice in Delaware, incorporating neurofeedback and attachment-based therapeutic models.
